Moderato

1. We do all the work, They get all the dough. Now we're

ask-ing: Must this be so? We're speed - ed to death; They

throw us a bone. Fight to - geth-er Or starve a - lone.

Refrain

Let's make this town a UNION TOWN, A u - nion town, a u - nion town, Let's

make this town a u - nion town, A real, in - dus - trial u - nion town.

2. Wherever you go,
Wherever you stay,
What's the story?
It's lousy pay.
You work for a boss,
You slave for a trust.
Stay alone and
You sure are lost.

Refrain

3. As sure as the sun
Goes down and comes up,
All the starving
Has got to stop.
As sure as the sun
Comes up and goes down,
We will make this
A UNION TOWN.
