Verse 1:

Hanky Panky Polka yes sir-ee
Hanky Panky Polka that's for me
Hanky Panky Polka sing this song
Dance all day with no clothes on
Hanky Panky Polka in and out
Hanky Panky Polka round a-bout
Hanky Panky Polka sets you free
Would you like to polka me?

Chorus:

We polka up, we polka down
We also polka on the ground
We polka in, we polka out
We also like to scream and shout
We polka up, we polka down
We also polka on the ground
We polka in, we polka out
We really like to muck about

Verse 2:

I like to dress to be a hit
I often show my naughty bits
I think I know just how to please
It's often done best on my knees
Men try to look their very best
They often show their hairy chests
But as you know girls steal the show
When they let you see their breasts. (beep?)

Chorus:

Verse 3:

I like to play Ac-cord-ion
The way it moves just turns me on
I pull it out and push it in
I really like to squeeze that thing
I'd like to polka you and me
But if you're bored let's make it three
If that works out and you want more
Instead of three let's make it four.

Chorus:
