

## TXT-msg Poem from the GWOT

RI&W:

AFAICS –  
and this is just my POV,  
and I'm just a 4NR

TPTB,  
who preach the RKBA

are  
when they say they'll leave soon  
from my liberated homeland.

But DHYB:  
NIMY  
will they pull out.  
But INNW.

So, when they toast our **V...** – ,  
DDTKA:  
U'll B DOA  
at the nearest MASH.

& when they say "ILU"  
it's 2G2BT.  
They'll roll their M-1A1 Abrams  
OMDB.

@TEOTD,  
GOK:  
IRL  
YOYO.

So, HTB!

GN&SD.
