Accordions We Play (Jingle Bells tune) written by Henry Slama (Squeezebox Stanley)

CHORUS

F
Accordions, accordions
F7
Accordions we play
Bb F
Oh, what fun it is to squeeze
G7 C7
Those bellows every day hay
F
Accordions, accordions
F7
Accordions we play
Bb F
Oh, what fun it is to squeeze
C7 F
Those bellows every day

Verse 1

I bought myself a Hohner
It's a nice machine
I polish it weekly
To keep it nice and clean
It's got 4 treble reeds
It's got 4 bass as well
It's got a tone chamber
And it sounds really swell

Verse 2

I joined the Squeezebox Circle
Vancouver, BC
We meet once a month
And play a little squeeze
At the church on Franklin
Wednesdays at seven
The music is so beautiful
I feel like I'm in heaven

Verse 3

F
Got myself a teacher
Bb
He's a local pro
C7
But I didn't learn nothin
F
And he cost me lots of dough

I paid for a lot of lessons
Bb
It cost me big bucks
C7
I wasted all my money
F
Cause my playing still SUCKS

Verse 4

My playing's not so good
My singing's even worse
The audience yells "STOP"
After just 1 verse
But now I'm up on stage
Playing to accordion nerds
I'm tryin to sing a song
But I forgot the words
