ACCORDION 2 COULD TRY DOUBLING THE LEFT-HAND WITH THE RIGHT HAND!

[Verse 1]

You never know how much I love ya
Never know how much I care
When you put your arms around me
I get a feelin' that's so hard to bear

[Chorus]

You give me fever
When you kiss me
Fever when you hold me tight
Fever in the mornin'
Fever all through the night

[Verse 2]

Listen to me, baby
Hear every word I say
No one could love you the way I do
'Cause they don't know how to love you my way

[Chorus]

[Bridge – Peggy Lee addition]
Everybody's got the fever,
That is something you all know
Fever isn't such a new thing;
Fever started long ago

[Verse 3]

Bless my soul, I love you
Take this heart away
Take these arms I'll never use
And just believe in what my lips have to say

[Chorus]

[Verse 4]

Sun lights up the daytime
Moon lights up the night
My eyes light up when you call my name
'Cause I know you're gonna treat me right

(Peggy Lee adds additional verses about Cleopatra, Pocahontas, etc)
