Introduction

Verse

* First verse only.....

2 * First verse only.....

* First verse only..... Chorus:

In a suburban warehouse somewhere sit / all 700 files
And frankly, we still have no idea / how any of them died
So let's sing a song of welcoming / but first give thanks and shout hooray (hooray!)
for the sad little lifeless bodies / who got us here today. Oh!

CHORUS

solo

We're having such a lovely time / we've forgotten all their names
but the weather's getting warmer / as we play our little games
and as we sing our anthem one more time / perhaps the cameras will show
the little babies' corpses / rising up from the melting snow. Singing --

CHORUS, "Everybody!", CHORUS
